🗁 Current Drivers Licence of the appropriate class.
🗁 Please ensure you have a valid Motorcycling Australia National Licence and Club Membership
🗁 Self-scrutineering form submitted online or handed in at sign on
     FAILURE TO PRODUCE THESE DOCUMENTS MAY INCUR EXCLUSION

TRANSPONDER TIMING

When you sign on you will be issued an envelope containing 2 transponder timing tags and your riding number. Once you receive your envelope, return to your bike and fit them as they must be fitted before entering the parc ferme. If you rode previous events, please make sure that your old tags have been removed from your bike. See tag fitting instructions attached to this document. Once you have adhered your supplied transponder tags and riding number, push your bike through the entrance to Parc ferme past the reader to the monitor, where your entry information will be displayed. Please make sure your details are correct before moving on. If there are any errors with your entry, report any changes to documentation before starting the event. No further work can be carried out on your machine once in the Main Control area. **No other number is to be displayed on your machine**.

SCRUTINEERING

All riders will be required to complete a [SELF-SCRUTINEERING FORM.](#) This can be done electronically [HERE](#) (preferred) or a paper copy can be found on the SART website and handed in at sign on.

Note that by signing the form, you are declaring your bike as complying with the MoMs, Road Traffic Authority and ADR's.

Random machine examination may take place at any time at the discretion of the Technical Officer.

NOTE: All Machines, equipment and protective clothing must start in clean and good condition. If any machine, equipment, or clothing is considered to be not clean at start line, the competitor may be EXCLUDED from starting the event.

FUEL DUMP

ELECTRONIC TIMING …will be used at this event.

TRANSPONDERS: <u>*New adhesive transponders*</u> *will be issued for each round of the series to be attached to your machine.*

PLEASE REMOVE PREVIOUSLY FITTED TRANSPONDERS FROM YOUR MACHINE AND ANY REMAINING GLUE RESIDUE FOR THE BEST POSSIBLE ADHESION.

You will be issued an envelope containing 2 new adhesive transponders at sign on. One is to be placed at the front and the other at the rear of your machine.

For the best possible detection of your riding number, it is important you adhere the Transponders in the correct location and orientation. The best detection can be achieved by adhering the transponder to a clean area on your machine where there are no graphics. Chrome graphics will render the transponder non detectable, please ask for assistance before placing the transponder on any heavy graphics. (Refer to the diagrams in this document)

SECTION START: Your scheduled competitive section start time is recorded when you leave the Control. Your actual racing start time is taken once you have left the control and passed the electronic timer located at the **"START"** sign.

SECTION FINISH: Your competitive section time is complete once you have passed the second electronic timer located at the **"END"** sign.
After passing the "END" sign you must slow your machine to a safe speed before entering the end of section Control.
WARNING: You are still required to **STOP at the end Control** and have your number recorded. Failing to stop at a Control incurs a **penalty of 600 points**. Refer to RT Supplementary Rules "Section Timing".

NOTE: There is no need to take off from a start control in an aggressive manner, or enter a finish Control inappropriately.

LIVE TIMING
Provisional Live results will be published on my.raceresult.com.
To access live timing…
- Go to sartchampionship.au and follow the "LIVE TIMING" links.
- Scan the QR code in the program or at Main Control.
- Live timing viewing will be available on screen at Main Control.

Final results published on the SART Championship Series website.
